RE: Hotel+Delegation List

Sandra,

- 1) Advanced is still 7 people.
- 2) 17 people total coming (this includes Mrs. Pruitt), but I believe the other two rooms were a buffer as arranged before. So a total of 18 is correct.

Mark – Please confirm number 2 holds true.

Not sure you got the news yet, but there has been a change to the visit. The advance crew will now arrive on Wednesday, May 31 and the rest of the delegation will arrive Tuesday, May 6. Of course this still means we need the hotels reserved the day prior as well, so everyone can check-in directly. Could you please check if the hotel would forgive the cancellation, if not could you give me the total cost of the cancellation fees, so I am able to plug that into the budget for EPA? Thank you!

Mark, Ex. 6 - Personal Privacy – Who is supposed to be the seventh name coming on advance? I figured it would be another security, but realized that three would have to travel alongside the Administrator, correct? Or is it one of the staff folks on the delegation arrival list below that should be moved to the advance? All folks accounted for below, just a matter of who is placed where. Thank you!

Here are the credit card numbers that I have so far to guarantee the hotel rooms. A few people don't have their official cards yet.

How do you prefer to handle the credit card information? Do you want the individuals to send you separately, or do you prefer that we collect it all in one document to send you? If separately, here is my information.
